

Non-Profit Advocacy Organization

SINGLE INVOICE FACTORING

CASE STUDY

One of our recent clients is a Pennsylvania-based non-profit advocacy organization dedicated to improving the futures of children in foster care. The client's mission is to provide a safe and caring home for all at risk children in foster care in the Philadelphia, PA region. The organization also provides food, clothing and therapeutic services to households of up to six children.

BACKGROUND

- Philadelphia, PA based non-profit organization that fosters and assists with adoption of children
- Focuses on troubled children who have been fostered in multiple homes in an effort to give them stability
- Owners of the company have fostered over eight children personally

COMPANY CHALLENGES

- As a non-profit organization, the Client had a very difficult time obtaining financing
- Wanted to expand and open additional homes for boys and girls so they could foster more children and get them adopted

CAPSTONE'S SOLUTION

- Provided a single invoice financing program allowing them to obtain funding through their invoices as they needed to with no annual commitment
- Increased the advance rate to 80% to help the client access cash quicker

PROGRESS AND FUTURE OUTLOOK

- The Client has opened one additional home since we began working together for girls and has plans to open an additional home for boys later this year
- Invoices have been increasing as they foster and tutor additional children, thereby creating more cash flow for them to continue expanding
