

# BUSINESS FUNDING TO HELP MINORITY BUSINESSES GROW AND SUCCEED

## *Benefits of our Diverse Funding Program*

At Capstone, making sure all businesses have sufficient access to business financing options is at the core of our business strategy. Capstone's Diverse Funding Program is designed to give MWDBEs the financing tools they need for growth and to be successful.

Through this program, Capstone provides minority, women, veteran and disadvantaged business enterprises, or in short "MWDBEs," with access to financial and professional development support at no additional cost. Those businesses participating in Capstone's program avail themselves of many additional benefits including:

- Local and personalized services all over the United States
- One-on-one business consulting and mentoring
- Customized training, leadership, and executive development
- Procurement guidance
- Relationship building between MWDBE clients and larger corporations as well as access to government and municipal markets
- Non-legal contract review
- Access to bonding
- Bid review and bid support letters
- Budgeting and forecasting development and support
- Referral services for accounting, estimating, legal, engineering, certified payroll, and other professional services
- Third-party referral for change order management

These additional benefits also make sure our clients are able to take advantage of the programs that have been set up for them by Fortune 1000 companies as well as state, city, and federal agencies.

Capstone has served as a primary financing source for a variety of MWDBEs. In the last 10 years, we have provided funding in excess of \$100MM+ to qualified MWDBEs.

## *About Capstone*

Capstone offers flexible factoring options for businesses in many industries. In particular, we understand the unique challenges faced by MWDBEs and we have been able to structure a funding platform specifically to support the working capital needs of these businesses. We have experienced professionals on staff to custom tailor financing solutions for MWDBEs and provide consultation and assistance to help them attain their goals.

Whether it is a single invoice or full-contract factoring, Capstone can supplement your business with its Diverse Funding Program. If you are part of one of these groups, we encourage you to contact Capstone to discuss your specific financial needs and learn more about our program.
